

DEFOAMER

PRODUCT FEATURES & BENEFITS :

- ✓ Breaks Down Foam
- ✓ Leaves No Residue In Tanks
- ✓ No Separation After Mixing
- ✓ Highly Concentrated

Description:

A unique product designed to tackle heavy-duty defoaming needs in industrial applications. It is a silicone-based defoamer formulated to quickly and efficiently break down foam and prevent foam build up. This process greatly reduces the time and labor needed to complete tasks.

Directions For Use:

Use 2 oz. - 4 oz. of Defoamer for every 10 gallons of water. Specific conditions may warrant more or less Defoamer. For steam-type carpet extraction machines, use two ounces per pickup tank.

Consult your Meyer Representative for your specific application.
